

**Free to Speak**  
*What the U.S. Department of Education says about public school students' religious liberties*

**PLUS— Have an attorney send a letter to the school official of your choice!**

Your church, youth group, and campus Bible club can promote greater clarity and freedom for all students by distributing this powerful pamphlet at school. It quotes the U.S. Department of Education regarding seven freedoms of religious expression on a public school campus.

There are 50 pocket-sized pamphlets in each order.

Additionally, for every set of 50 pamphlets you order, the Alliance Defense Fund has donated its time to our National Free to Speak Campaign by offering to send a letter to the school official of your choice. It clarifies students' and teachers' religious liberties. *(With our order form, include a separate piece of paper with the name and address of the schools and school officials).*

Note: When determining "quantity" remember that pamphlets come bundled in sets of 50. Therefore, when ordering a quantity of 1, you will receive 1 set of 50 pamphlets. A quantity of 2 = 100 pamphlets, 3 = 150 pamphlets, etc.

**Price: 1 set: \$9.00; 2 or more: \$7.00 each**

Shipping/handling on the first unit is \$4. Add \$1 per unit thereafter.

The National Free to Speak Campaign is a joint project of Gateways to Better Education & Alliance Defense Fund.

Christmas

These eight-page booklets look like greeting cards. They provide a place for a personal greeting and include a light-hearted story to explain to teachers the legality of teaching about the holiday. Each card contains different legal documentation and constitutionally sound lesson plan ideas.
